INSTRUCTIONS

Prior to submitting this application, it is very important for you to make an appointment to discuss the application, your site, the plans you have for the site, any possible alternatives, and to answer your questions. This will prevent any unnecessary expenditure of funds to third parties (i.e., title company, postage, etc.) in the event that there is determined that there is an alternative. No refunds will be given for third party fees. Please call (850)835-2822 and ask for the City Planner who coordinates the Future Land Use Amendment applications. Be sure to request future land use/zoning verification. The City Planner will advise you as to the procedure and time frame for amendments. A schedule of meeting dates and advertising deadlines will be discussed at the pre-application conference. **Note:** The review period does not begin until the submittal package is determined to be complete. The Planning Board meets only once a month. Application received after the deadline for a particular meeting will not be heard until the following meeting. Applicants are required to submit their packages at least two weeks prior to their target advertising deadline so that the package can be reviewed for completeness prior to the advertising deadline.

At times, due to work load, the City Planner will assign review and administration of an amendment to a planner from West Florida Regional Planning Council (WFRPC). **Please note:** Whenever an applicant would like any WFRPC staff member to appear and testify at a hearing, advance notice is required. Both the City Planner and the WFRPC staff member must be notified in writing 10 days in advance of the meeting.

It is important for the application to be complete and on time. Requests for a future land use change for a parcel(s) are normally heard the month after they are submitted or as soon as they can be scheduled. In order for your application to move through the process in a timely manner, it is important for all items on the application to be completed. Incorrect or missing information could delay the hearing of your request. **The applicant or the applicant’s agent must be present at the Planning Board and City Council meetings for which this application is scheduled.**
NOTICE TO ALL APPLICANTS

You are required to schedule a pre-application conference with the Freeport Planning Department prior to submittal of all land use amendment applications.
